OFFICE NOTE.

File No. 222

Subject.

In re the prayer for a monthly grant to the Chattram at Chicerbal par.

From

Doddamurlappa, Manager.

Petition Regd. No 56 Dated the 3rd July 1906.

1. There is a Chattram at Chicerbal in charge of the Muzrai Department. Ever since the year 1091 Fasli, being 5 Oddi rice etc. are therein from the 500 rcs of grant. The Chattram is kept by the contributions made by local Merchants of Chicerbal and adjoining places.

2. The petitioner, the manager of the Chattram, Ballapur, in his petition dated 3rd July 1906 to the Deputy Commissioner, Nagarnad Circle, has prayed for the grant of the Chattram, stating that the income of Rs 3000/- and odd, from the 500 rcs of land granted is not sufficient, and that per rules passed, there should be 5 per

at 5% be allowed on their endowment fund. And on 26th December 1892 the Petitioners actually deposited the said sum of Rs 3000/- with the Taluk Amildar in anticipation of Government accepting the offer. Much time had afterwards taken up by the District and Taluk Authorities in some minor correspondence and it was after a considerable lapse of time that the matter came up before Government for favor of orders. In the interval both the petitioners died and the trustees of the Chattram petitioned Government urging to accept the offer and to carry out the petitioners wishes. In the meanwhile, the daughter-in-law of the deceased Donor appeared put in a counter-petition to the effect that she did not like to devote the interest derived from the deposit made by her father-in-law towards the feeding of travellers in the Chowdallapur Chattram but that she wished to utilize the same towards the object of feeding the needy travellers that resorted to the temple at Rangasthala. But the heir of the other Grantee(Nagartha Chiccanna) opposed the diversion thus made from the Donors' expressed wishes and stated that the deposit should exclusively be utilized towards the conduct of feeding the travellers and Sanskrit Students in the Chowdallapur Chattram. These petitions came up with the one received from the Residents of Chowdallapur praying to carry out the original intentions of the deceased Donors and to accept the endowment together with favourable rate of interest thereon, were

sent to the Deputy Commissioner of the Kolar Dist. for report.

While the matter was thus under correspondence the 1895 Government in their Pro. No. 616-24 Dated, 14th March 05, directed the stoppage of the receipts of all further deposits under the rules of 1892. Thereupon the Deputy Commissioner submitted his report expressing at the same time his unwillingness to accept the offer under the order of 1892, which had been since withdrawn. However, after a careful review of all the circumstances, the late --- Dewan Sir K. Seshadri Iyer was pleased to order that the offer be accepted under the order of 1892 with effect from the date on which the deposit was made in the Taluk Treasury and that the expressed wishes of the donors should be strictly carried out.

To manage the affairs of this Institution in strict accordance with the Donors' wishes the Government in their Pro No. 40-1 dated the 7th July 1896 appointed the present petitioner Dodd.-Muniappa of Chinchellapur as manager of the Chatram and observed that so long as he continues to manage the Chitrau affairs efficiently the interest accruing on the deposit should be paid to him every half-year. Since then, the Chatram appears to be managed in a satisfactory manner by the said Dodd. Muniappa. Recently, upon a reference made by the Dy. Commissioner of

Kolar District, the Government in their Pro. No4'22+3LD/ the 2nd March 190o ordered that " the interest, as it accrues, should be drawn in future by the Amildar and credited to the funds of the institution, payments of only such amounts as may be considered necessary being made every month by the Taluk Amildar to the Manager for expenses on production of proper accounts and vouchers." Ever Since the establishment of the Institution on such solid basis , the Manager states that he has, by his exertions collected a further sum of Rs 3000/- and deposited the same in Government Savings Bank in the name of the Dy. Commissioner of Kolar for the time being.

Now, the said Jodda Maniappa has petitioned this office representing the insuffiviency of funds for conducting the feeding throughout the year and praying for a monthly grant of Rs 100/- From the comparative statement submitted with the petition, it is observed that the feeding of students and travellers has steadily increased year by year on account of the rising importance of the town. In the year 1904 5560 students and 1414 travellers and in all 7774 people were fed in the Chattram against 3250, 4769, 3582, 4.34, 772 and so on in previous years. The petitioner alleges that in spite of repeated representations made from time to time in the Dasara Representative Assembly Meetings and in spite of the Dy. Commissioner's recommendation to transfer the unused income of any [illegible] other [illegible] in the State, the question has not yet been favorably

Muz. 8A]

considered by Government. In conclusion, the petitioner ardently prays that, taking into consideration the cessation of the local encouragement on account of the repeated failure of revenue and the fluctuation in prices of foodgrains and the non-existence of Chattrams in many of the Taluks of the Kolar District and in consideration of the poor and deserving High-School-going boys, the Government may be very graciously pleased to grant Rs 100/- per mensem towards [illegible] of this charitable and [illegible].

Note continued

The petition referred to above was forwarded to the Deputy Commissioner of the Kolar District for report. That Officer has now submitted a report together with those of the Amildar Mr G Narayana Rao and the Assistant Commissioner Mr. G. Aravamudu Iyengar.

Besides the sum of Rs 6000/- invested by the founder of the charities at the favorable

rate of 5 per cent per annum, the Amildar reports that a sum of Rs 3000/- has been deposited by the Manager of the Chattram in the Govt Savings Bank, and that that latter amount has amounted to Rs 3580 odd with interest and recommends that Rs 3,100/- thereout may be invested in the Mysore Govt 4% Loan, and the balance given to the Manager for recouping the expenditure already incurred by him. Recently, however the Govt have ~~already~~ invested Rs 3,000/- only in the said 4 % Loan. The annual income therefore of the Institution in the shape of interest amounts to Rs 420/-.

At present, it is understood from the Manager's report, that 12 students and 6 travellers, including the Parivarak are being fed daily in the Chattram, the former twice and the latter only once a day, and that the establishment charges amount to Rs 8/- per mensem.

MGCPB—2,500—1-8-05.

Muz. 8A]

Muzrai Secretariat. File No. of 190

The Amildar ~~expresses~~ writes favorably about the Chattram and proposes that the number of students and travellers to be fed, may be fixed at 10 and 6 respectively and that the establishment charges be raised from Rs 8 to Rs 13/- per mensem. The extra amount required for carrying out the above proposals is stated to be Rs 677/- and the Amildar proposes that it may be sanctioned by Govt. as an annual grant to the Institution.

The Assistant Commissioner reports that he inspected the Chattram and was favorably impressed. He recommends that the number of students and travellers to be fed may be fixed at 3 and 6 respectively and the establishment charges limited to Rs 8/- per mensem. He further also says that as there are no boarding houses at Chikballa-

which is a centre for the Lower Secondary Examination, the examinees are put to much inconvenience, that there is a practice in the Chatham for some years past to feed such examinees gratis and recommends that that practice may be continued and a lump sum provision of Rs 100/- may be made therefor. The extra amount required for carrying out these proposals is stated to be Rs 252/-, which the Assistant Commissioner proposes to meet from the grant to be sanctioned for the purpose. ~~in the favourable savings of the Muzrai Funds~~

The Deputy Commissioner is of opinion that it is desirable to encourage this private charity by subsidising with a special grant of Rs 150/- per annum, seeing that the said institution practically serves the purpose of a Students' Home established at much greater expense

by Govt elsewhere". He further states that this additional expenditure of Rs 150/- cannot be met from the savings of the other Annadhanams in his District, and recommends that the same may be sanctioned from the general savings of the Muzrai funds or from the Education or other Budgets. He also recommends that the scale of establishment proposed by the Assistant Commissioner may be sanctioned. He does not however approve of the suggestion to feed the Lower Secondary Examinees in the Chattram at a cost of Rs 100/-

Muzrai Secretary's Remarks.

It is reported that this Chattram which was established by the private benevolence of 2 charitably disposed persons and which is now under the management of one Dodda Lingappa, under (with certain Dharmadarshi)

Venkatalu Dodda Ranganna & Nagaratha Chikkanna.

GPB—3,000—22-6-06

supervision of Govt, is being conducted in a very satisfactory manner. The peculiarity of the institution is that not only bona fide travellers but a dozen poor students of the Sanskrit and English Schools at Chickballapur are also fed in the Chattram. The travellers, half a dozen every day, are fed once daily and the students twice. The institution has become very popular under its present manager and is doing real good to the public.

The resources of the Institution consist of an investment of two sums of Rs6,000 & Rs3,000/- made some years ago by the private gentleman referred to above. The Rs6,000 above referred to fetch the favourable rate of interest of 5 per cent formerly sanctioned by Govt, and the second investment of Rs 3,000 was recently made in the Mysore Govt 4 per cent Loan. The income of the institution therefore is Rs300 + Rs 120 or Rs420 per annum.

The Manager appears to have also arranged

with some of the local Banks in the surrounding Taluks for some help and seem to be getting about Rs80 a year from them. This is of course not a permanent source of income, but it must be of great use as long as it lasts. The income may therefore be taken to be Rs500 per annum.

Owing to the importance of Chickballapur as a trading centre and the existence of a flourishing English School and a Sanskrit School there, the Chattram appears to be largely resorted to and the income of Rs500 is found to be quite inadequate to meet the demand in these days of high prices. All the local Officers are agreed that some help should be given to the Institution. The Manager of the Institution asks for a Govt grant of Rs1,200 per annum, the Amildar recommends Rs677 per annum, the Assistant Commissioner Mr. Aravamudu Iyengar, Rs250 per annum and the Deputy Commissioner Mr. Srikanteswara Iyer, Rs150 per annum.

GPB--3,000—22-6 06

The Deputy Commissioner states further that the Chattram serves the purposes of a Students' Home and considers that some help from Govt will not be misplaced. The local merchants are also stated to take much interest in the institution, particularly as regards the feeding of poor students, and it is reported that a sum of Rs500 has been recently collected and placed by them in the Treasury as a first instalment.

The question therefore now is whether Govt will, under the circumstances above explained, sanction a grant from the State to this Institution. On the other hand, it may be stated that the institution should be kept up to the extent possible with the income at its disposal, that the Manager should work within such income and that he should restrict the charity so as not to exceed the existing income and any additional investments which may be made by the public and that the Govt are not prepared to make any special grant in favour of the institution. On the other

Muzrai Secretariat. File No. of 190

hand, the Govt may, in consideration of the great good that the institution is doing to the public and to the poor students of the English and Sanskrit Schools in particular, mark their appreciation of the good work done by making a special grant from State Funds to a small extent. If such a grant is considered suitable, I would very respectfully suggest that the amount may be Rs25/- per mensem or Rs300/- per annum. The sum of Rs150 recommended by the Deputy Commissioner is not likely to help the institution to any appreciable extent.

As this subject relates to the sanctioning of a new grant of funds from Govt, which the Govt may or may not consider desirable, a reference will be made to the Financial Secretary when the intention of the Govt is ascertained. Should Govt not be inclined to sanction the proposed grant no reference need be made to the Financial Secretary.

Note cont^d

In the draft which was approved by the 2^nd Councillor on the previous page of this note, the Govt recorded the Deputy Commissioner's communication reporting that Rs 100/- and Rs 50/- had been provided in the District Fund and Municipal Budgets respectively of the year 1908-09, for supplementing the funds of the Annadhanam at Chikballapur.

The 1st Councillor having objected to sanction the grant of the amount referred to above on the ground that the purpose for which the grant is applied for was for feeding Brahmin travellers and Nehinidars, and that the expenditure on this account could not be a legitimate charge on the Municipal and District Funds which are contributed by the masses and class of people; the Dewan has been pleased

to call for an explanation from the Deputy Commr. and also to refer the matter to the Muzrai Deptt. The papers have accordingly been received in this Branch for remarks as to why the grants suggested should not be refused.

From the previous pages of this note, it may however be observed that in Govt. No 1549 dated 21st September 1907, the Deputy Commissioner was, under the orders of the Govt. in Council, requested to inspire the Municipal and District Boards to make a grant for the purpose, and that he accordingly provided Rs. 100/- and Rs 50/- & in the District and Municipal Budgets respectively of the year 1908-09 with the approval of those bodies.

In this connection, it may be stated that the Asst Secretary Mr. K. Nagaraja Rao has pointed out that Sec 56 cls (b) and (k) of the Mysore Municipal* Regulation and Sec 7 cls (c) & (g) of

The opening lines of the sections are as follows:-

The following matters within the Municipality

Sec 7. L.B. Reg." "Every District so far as the funds at its disposal will permit but subject to such exceptions and conditions as the Govt may from time to time make or impose, provide for the control, administration of the following matters within the area subject to its authority."

No. 4122-31—MUZ. F. 39 of 1895, DATED BANGALORE, 23RD MARCH 1906.

ORDER THEREON.—The Deputy Commissioner reports that at present the manager of the institution draws the full amount of interest from the Treasury and after defraying the expenses keeps the balance with himself, and that although there has been no complaint on this score, yet there may come a time when this practice might lead to misappropriation of funds and the mismanagement of the chattram affairs. He is therefore of opinion that the manager should not be allowed to keep the balance with him or to draw the whole interest from the Treasury over and above what is necessary for the current expenses.

2. The Government of His Highness the Maharaja concur with the Deputy Commissioner and are accordingly pleased to direct that the interest, as it accrues, should be drawn in future by the Amildar and credited to the funds of the Institution, payments of only such amounts as may be considered necessary being made every month by the Taluk Amildar to the manager for expenses on production of proper accounts and vouchers.

3. The above procedure should be adopted in the case of all the institutions in the State which enjoy the benefit of 5 per cent interest under the rules of 1892.

Sir,

There is a chattram established at Chikballapur, a brief History of which is given in Government Proceedings No.829 - 30/ Muz F. 39 - 95 dated Bangalore 10th February 1896 and I am working as Manager thereof appointed by Government as stated in the said Proceedings.

2. The sources of income for the maintenance of the said chattram for the present are as follows:-

i The interest at 5 per cent on Rs.6,000/- deposited for the up-keep of the chattram.

ii The interest on Rs.3,000/- deposited for the same purpose in the Government Savings Bank, in the name of the Deputy Commissioner of Kolar.

iii Charitable contribution from the local banks which at one time amounted to Rs.228 - 12 - 6 and which has now dwindled to a small sum of Rs.84 and odd.

3. Owing to a fluctuation in prices of the food grains the expenditure has considerably increased. In addition to this the number of poor and deserving High School going boys who are fed in this institution has risen and hence the expenditure is becoming higher day after day. The number of poor students who were ~~to~~ fed amounted to 5,360 and the number of travellers to 2,214 during the year 1905. A comparative statement showing the income and expenditure as also the number of students and travellers fed in the chattram for a series of years is herewith submitted for your kind perusal.

4. That this Institution serves a very useful purpose is testified to by its popularity and the increasing interest which the people of Chikaballapur and of the surrounding Taluks take in

cment of the Chattram.

5. It was brought to the notice of Government from time to time in the Representative Assembly that the income was insuffi cient for the growing needs of the Institution and a prayer was made for the transfer of unused income of any other chattram in State to this Instution (vide subject No.31 of Local subjects of the Kolar District as printed in page 31 of the Dassara Representative Assembly Proceedings of 1904.) The Government has been pleased to reserve the question for disposal as the Deputy Commissioner of Kolar remarked "if funds are available, necessary help may be given". As this is the beginning of the official year I pray that the question of augmenting the sources of income to this Institution may kindly be taken into consideration and that either the unexpended income of any other chattram may be transfered to this chattram or a monthly grant of Rs,100/- from the Muzrai surplus may be allotted to this Institution.

6. In conclusion,I beg to submit that the efficient management of the chattram has been giving me considerable anxiety and I therefore pray that in the interests of the people of the Taluks of Chikballapur, ~~and~~ Goribidnur, Siddleghatta, Chintamani, Bagepalli and Gudibanda where no Government chattrams exist, ~~that~~ adequate provision may be made at an early opportunity for the maintenance of this chattram as the same is situated in the educational centre of all the said Taluks and also as the educational interests of the poor and needy High School going boys ~~a~~ are a special feature therein.

I beg to remain

Officer Chickballapur in which all
the salient points urged in the petition
are dealt with and to state that
for reasons therein mentioned it
would be desirable to encourage
such private charity, by subsidising
with a special grant of Rs 150/-
per annum seeing that the said
Institution practically serves the
purpose of a Student's Home, established
at much greater expense by Government
elsewhere. If by such small grants,
the nascent inherent spirit of charity
can be evoked and private capital
tapped

tapped to answer, in course of time, the forms of noble brass endowments for Educational purpose familiar in other parts Comparitively lightening the state burdens, it were a consummation devoutly to be wished for.

2. As the additional expenditure referred to above cannot be met from the savings of the other Anna chattrams in the District, I request that the same may kindly be sanctioned from the savings of the mutarai funds or from Educational or other Budgets.

3. For obvious reasons the proposal of the Sub-Division Officer recommending an annual grant of Rs 100/- for feeding the Lower Secondary examinees, coming to Chickballapur for the said Examination does not commend itself to me. His other suggestions regarding the scale of establishment for the chattram and the feeding charges etc may be sanctioned as reasonable.

Sir,

Adverting to your memo No: 190 dated 23.7.06 forwarding for enquiry and report, a petition addressed to the Maharaja Secretary by Doddabommiappa Manager of the Chickballapur Chatram bringing to notice the insufficiency of funds for the proper conduct of feeding in the Chatram throughout the year and praying for a grant-in-aid from Government towards its upkeep, I have the honor to forward herewith report No: 195 dated

of Chickballapur with the connected records. The salient facts of the case are given in some detail in the Amildar's report & it is not therefore necessary for me to traverse the same ground.

It would be seen that the original intentions of the donors were to feed the needy travellers and Sanskrit students and the present practice of feeding students in the English School is not quite in accordance with the expressed object of the gift. There is nothing in the record to show how the present departure arose or whether it has been authoritatively recognized. With the decline of the interest in Sanscrit education, the management appears to have extended its help to the deserving poor students in the English Schools and in so doing it has to some extent exceeded its powers. But this may be condoned,

seeing

seeing that the feeding of the poor students,
no matter if they are pupils of English Schools,
is not foreign to the spirit of the object
of the original donors It must also be
said in this connection that the expressed
object of the second fund of Rs: 3180/- is to
feed the travellers and the students without
further specification as to the nature of
the studies to be prosecuted by them -

Coming to the Grant-in-aid prayed
for and recommended by the Amildar,
I do not see any way to recommend
the proposals 'en bloc' - It is certainly
against the policy of Government to
run a poor house to feed the
students in English Schools and ~~and~~
unless private donations are forthcoming
expressly for this purpose it is difficult
to see how a Government Grant for
the purpose may be asked for.
the

the two other objects of the institution by feeding the travellers and the Lauserit students I would fix the daily feeding of travellers at six as proposed, while three Lauserit students may also be lodged and fed at the chatram.

The scale of expenditure, if the above proposals are adopted, would be as follows:-

(a) 3 students @ 3 annas a day — 0-9-0

6 travellers including the Parichanaka @ 2 annas. } 0-12-0

1-5-0

Per month Rs: 39-6-0
or Rs: 40/-

(b) Establishment charges.

Parichanaka — 6-0-0

Contingencies — 2-0-0

8-0-0

Total of a & b a month = Rs: 48-0-0

per annum = Rs: 576-0-0

It has been the practice for some years to feed gratis the

the students that appear at the Chickballapur centre for the Lower Secondary Examination and if Chickballapur is to continue as a Centre, it is necessary to make a provision for the purpose, as there are no suitable boarding houses in the town and as after all these students are only temporary sojourners. A lumpsum provision of Rs: 100/- may be allowed for this purpose which would bring the total expenditure to Rs: 676/- Deducting Rs: 424/- the estimated annual income from the funds invested, there is a balance of Rs: 252/- which may have to be met from a Government Grant.

I had kept the file with me for a personal enquiry into the matter and I regret the delay which has taken place in the submission of the report owing to the pressure of other urgent work.

subject with the manager, Dod Moncappa himself and other persons interested in the institution and it is due to them to say that they are all keen upon continuing the existing practice of feeding the deserving students even though they happen to be pupils of English Schools. I also understand that further donations are expected from the townspeople to supplement the funds with the object of feeding the students and Rs five hundred have since been credited in the Treasury on this account on 1-6-07 as first instalment. Personally I shall be glad if funds for this purpose also can be made available but my report has had to be based strictly

strictly on Considerations of economy &
expediency -

Dated 12th September 1906

Sir:-

With reference to your order No. 87 dated 27th July 1906 forwarding for report Correspondence regarding the petition of Doddaguni Gollahalli Ramappa of the Chickballapur Taluk praying for help from Government on account of the insufficiency of funds for the Conduct of the feeding in the said Chickballapur Taluk, I have the honour to

Lr. No. 195 2-

2. A sum of Rs 6000, was deposited by Dodda Ranganna and Nagartha Chiekkanna ~~as~~ as an Endowment for the purpose of feeding travellers and Sanscrit students in the chattram at Chiekaballapur and the sume was accepted by Government in their order No. 827-30 Mutz 39-95 dated 10-2-96 at 5% C interest under the rules of the 9th August 1892. In addition to this, the leading merchants of Chiekballapur including the Petitioner have deposited Rs 3000 in the Government Savings Bank with intent to supplement the endowment

Their ... [illegible] ... now in term ... of Dr. Mr. Inglis (with ... on behalf of the Deputy Commissioner, Jaffna.

I shall now proceed to deal with the annual income & expenditure of the institution. The total interest from the endowment-fund ... [illegible]

(the petitioner) Collects small subscriptions voluntarily paid by the Presidents of the Local Banks as a sort of charity towards the feeding of bonafide travellers. I believe that this sum is set apart at the annual meeting of each Company or Bank for the above specified purpose after giving due Consideration to the wants of the Banks. During the years 1904 and 1905 the amounts received on this account was Rs 86-3-5 and Rs 84-15-4 respectively. This has materially helped the Manager towards the feeding expenses

5. Thus the total income received from all sources and the expenditure incurred for feeding a number of students and travellers during the previous 2 Calendar years 1904 & 1905 are shown in the subjoined statement as per accounts maintained by the Manager

from the same that on account of the prevalence of Plague at Chickaballapur during the months of from June to October 1914 the town had been evacuated, and as such the chattram had been closed. Hence the number of students and travellers fed and the amount spent there for during 1914 is less when Compared to the figures of 1905.

7. It is an admitted fact that the bonafide travellers frequently visit Chickballapur on account of the non-existence of any Government chattram in the surrounding Taluks of Chintamani, Siddaghatta Goribidnur & Devanhalli

Doddaballapur, Bage-
palli and Gudibanda
. Moreover this town is
one of the Educational
Centres for students
going up for Lower Secon-
dary and for students
studying for Matricu-
lation Examination.
Many poor and
helpless students attend
the Chattram in the
month of November of
every year, and they
are fed free day and

12 students are fed

the prayer of the Manager
deserves favourable
Consideration.
The Manager further
represents that on
account of the adverse
Condition of the mercantile
Class the Charitable
Contribution in that is
hitherto being paid
by the Local Banks has
Considerably reduced
and he apprehends
that the measure may
not work out satisfactorily
as a major portion
of such Banks have
since been wound up

10 I therefore beg to submit the following proposals for Consideration and orders.

Savings Bank account No. 159 is in the name of the Deputy Commissioner Kolar. As this is a Municipal Savings Bank account, the question of exchanging Four per Cent Promotes for the amount now held at its credit may be favourably considered in view of the Charitable object with which it was described.

Sum of Rs 7280-3-7 at the credit of the Sree Sooti account of Rs 3100 may with advantage be invested

per orders recently notified by Government and the balance viz Rs 480-3-7 which is the interest accrued, withdrawn and utilized for feeding expenses as the Manager represents and has rendered accounts upto the end of August 1906 wherein it is shown that a sum of Rs 122-12-4 is spent over and above the interest of Rs 300 he had received during the Current Calendar year (after satisfactory explanation is furnished by the Manager for the excess amount spent) which may probably be due to dearness of foodstuff.

11 The No. of poor and destitute students to be fed may be fixed at 10 instead of 12 as at present (eight for English and two for Sanscrit students.

— This number may not be allowed to exceed on any account with an understanding that the vacancies may be replaced by the — Dharmadarsi and manager after giving due Consideration to such helpless or orphan students who have no other means of livelihood.

The present average attendance of Varsha is about 1 per day pre-ceding the [illegible]

Letter No. 260/25, dated
11th July 1907, from the Deputy
Commissioner, Kolar District.

Order thereon :-

The Chatram at Chik-
ballapur is an institution
established by the benevolence
of two charitably disposed private

No. 15 H-9 dt 12.9.07

persons named in the margin Messrs and is now under the management of one Dodda Munisappa and certain Dharmadarsis under the supervision of Govt the peculiarity of the institution is that it not only bona fide travellers but about a dozen poor students of the Sanskrit and English Schools at Chikballapur are fed in the Chatram The travellers, about half a dozen every day, are fed once daily and the students twice

2 The resources of the institution consist of an investment of two sums of Rs 6,000/- and Rs 3,000/- made some years ago by the private gentlemen referred to above. The first investment fetches the favorable rate of interest of 5 per cent formerly sanctioned by Govt and the second investment

was recently invested in the Mysore Govt 4% Loan The in of the Institution is therefore Rs 300/- ~~Rs~~ plus Rs 120/- or Rs 420/- per annum

2 The Manager Doddamuniappa appears to have also arranged with some of the local banks in the surrounding Taluks for some help and have been getting about Rs 80/- a year from them This is not a permanent source of income, but has been of great use at present to the Institution. The total income may therefore be taken to be Rs 500/- per annum.

4 Owing to the importance of Chikballapur as a trading centre and the existence of a flourishing English School and a Sanskrit

School there, the Chattram is largely resorted to and the income of Rs500/- is stated by the Chattram Manager to be quite inadequate to meet the demand in these days of high prices. All the local officers are agreed that some help should be given to the institution.

5. The Deputy Commissioner further states that the Chattram serves the purposes of a Students' Home and considers that some help from Govt will not be misplaced. The local merchants are also stated to take much interest in the institution, particularly as regards the feeding of poor students, and it is reported that a sum of Rs 500/- has been recently collected and placed to them in the Treasury as a first instalment.

6. From the foregoing facts ~~brought to notice~~, the Govt observe that the ~~institution~~ has become very popular under its ~~ma~~ present manage and is doing real good to the public, and therefore deserves encouragement ~~they are also~~ The present time however is very inopportune ~~of opinion that any amount~~ for making any grant from ~~less than Rs 3000 per annum~~ ~~is~~ State and the Deputy ~~will~~ not likely to help ~~the~~ ~~institution~~ to any appreciable ~~extent, and that before any~~ ~~for the purpose~~ ~~State Grant is solicited for~~ the local Govt will have to ~~see~~ how far they will be able to ~~supplement the funds of~~ the Institution. The Deputy Commissioner is therefore requested to move the Municipal and District Fun-

Boards and make a point
for the purpose and report the
result for the information of
Govt. at an early date.

1	Chintamani ...	I Octroi on betel-leaves	420	220	The duty has since been reduced from 2 pies to 1 pie for 100 leaves (*vide* G O No 5630 1—Ml (380 07) 2, dated 29th February 1908 Hence the reduction
		I Octroi on cloth ..	4,000	3,500	
2	Bowringpet .	VIII Rents from houses ..	200	..	The sanctioned estimates are based on the actuals for 1906 07 and the probable receipts for 1907 08
3	Srinivaspur ...	XI (*a*) Sale of houses and lands ..	600	.	
4	Mulbagal ...	I Octroi on cloth ..	690	450	
		II Tax on houses, etc.. .	1,700	1,340	

The estimate of Rs. 2,500 in the budget of Chintamani under "X (*a*) Sale of houses and lands" is approved with the observation that prompt action should be taken to lay out the new extension and to recover the value of sites.

2. *Opening balance.*—The estimate (Rs. 6,982) under this head in the budget of Kolar will be reduced to Rs. 4,945 as per particulars shown below:—

				Rs
Closing balance for 1906-07	...	..	..	7,051

The provision made for the hire of an additional cart in the budget of Bowringpet will be retained, but expenditure should not be incurred without the previous sanction of Government. The correct total of the items provided under IV (*b*) Conservancy, Other charges in the budget of Kolar is Rs. 884 and not Rs. 984. The mistake will be rectified.

5. *VIII. Public works.*—The provision of Rs. 500 under Compensation in the budget of Srinivaspur will be struck out as the necessity for its repetition has not been explained, and owing to the paucity of funds the provisions of Rs. 120, 200 and 150 under Drains, original, roads, original and compensation in the budgets of Bagepalli, Goribidnur and Malur respectively, will also be disallowed

Proceedings of the Government of His Highness
the Maharaja of Mysore.

Correspondence ending with letter No.6644/409 dated the 9th February 1909 from the Inspector General of Education in Mysore regarding the question of making a grant to the Annachatram at Chikballapur from the State -- Funds for the reason that the Chattram accommodates pupils of the local High and Anglo Vernacular Schools and that the candidates for the Lower Secondary Examination who assemble at the time of the Examination at Chikballapur are fed in the Chattram.

2. Correspondence ending with letter dated the 22nd April 1909 from the Deputy Commissioner, Kolar District submitting a memo showing the necessity for a grant in aid to the Annachatram at Chikballapur from the Educational Department

Order thereon No 2395-7 ml 577-07-7

Dated Bangalore, 11th September 1909.

The Deputy Commissioner states that the Chattram serves the purposes of a students' Home and recommends a grant in aid on that account. It has been the usual rule in giving help to students' homes to provide a -- suitable building and bear the cost of supervision while the boarding and other charges are met from fees recovered from the boarders. The boarders are also required to pay rent for the rooms occupied by them. No proper reasons are given why in the present case the Chattram authorities should not levy suitable fees for board and lodging from the students who make use of the chathram.

The

2 The gratuitous feeding of students is not a recognised object of Government expenditure and Government cannot make a grant in aid to the chatram towards such a purpose. -- Neither is the free feeding of candidates from the Lower Secondary Examination a proper ground for a grant-in-aid. For these reasons Government are unable to sanction any -- grant-in-aid from the public funds set apart for education

3. In Government Order No.33-6/Muz 332-08-4 dated the 7th July 1909 an additional grant of Rs.150 per annum has been sanctioned for this chatram from Muzrai -- funds.
